---

YAKAMA NATION HUNTERS,

BISON HUNT ORIENTATION for Winter 2017-18 Bison Hunt Season

WHEN: Thursday, Nov 16, 2017 or Monday Nov 20, 2017  
WHERE: Eagle Seelatsee Auditorium  
TIME: 5:00 pm

Come find out more about the bison hunt opportunities. This is a very unique opportunity with lots of members expressing interest in the hunt. As such, permits will be issued by lottery draw. You must attend one of the orientations to be eligible for the permit drawing.

We'll cover a ton of information that should answer most questions. We'll go through some of the history, the code revisions, the hunt regulations, season dates, the permit and eligibility, the areas to open to hunt, safety concerns, caring for your harvest, how to get to the areas, the estimated costs for the trip, and more.

Come find out more information at one of the 2 orientations. Again, part of the eligibility requirements for the permit drawing is attendance at one of the orientations.
