

CLARIFICATION

The Theater is grateful to have dedicated staff that is committed to providing the best movie experience possible. In their enthusiasm to share the great news that the Theater will be showing Maze Runner: The Death Cure on its opening weekend (starting 1/26/18) a notice of price and schedule changes were issued on 1/22/18. **Please be advised that these changes are not yet permanent.**

Yakama Nation Cultural Center Theater strives to provide a low cost high value movie experience for all customers. There have been continued requests to provide newer movies and Theater staff has been working to meet these requests. In discussion with film distributors staff were informed that the current prices and movie schedule did not meet the requirements to be able to show movies when they open. The Theater was offered Maze Runner: Death Cure on its opening weekend with the stipulation that prices and schedule meet threshold requirements set by the distributor. There is no expectation that movie goers would pay full price for older released movies. This showing is meant to be a trial run to determine next steps for the Yakama Nation Theater.

Thank you for your continued patronage and support for the Yakama Nation Theater. If you wish to provide feedback or express concerns please feel free to contact the Economic Development Director at (509) 865-5121 x6050.
