Date Signed: _____

Deadline-June 15, 2018 Return to YN Tribal School, your Native American School Advisor, YN Youth Activities or Yakama Forest Products.

A Special Thanks To...

The Yakama Forest Products (YFP) and their attempt to fulfill an obligation to the community. YFP is committed to provide Community Outreach projects that assist with healing, promote healthy living, and incorporate our Yakama Ways.

In correspondence to the recent resolution, TC-057-18, YFP looks to offer positive outlets for it's community members. Both on the Yakama Reservation and its surrounding areas. The resolution poses consequences that are pretty severe, so it is necessary to organize events and/or programs that offer the youth with an alternate and better way of life.
