

Your Census is more important than ever!

- Your Census ID is important to link your address to you and ensure you are counted
- You will receive a Census ID either in the USPS mail or a US Census field worker will stop by your home to deliver
- IF you have completed your Census online without the ID and you later receive an ID please complete your census one more time to ensure you are counted
- Response period for the Census is extended through October 31.

On the Form

- Question #5 - List Person 1 as a Tribal member
- Question #9 - Mark American Indian or AlaskaNative & write in:
